Dear Ratepayer;

## Re: 2010 Gopher Poison

The R.M. of Pense will offer the following products for 2010:

- 7 kg pail (premixed) of **Gopher Kill** (.4% strychnine) - cost \$54.00/pail.
- 250 ml bottle of **2% liquid strychnine** - cost \$7.25/bottle. Treats ~ 40 - 50 gopher holes.
- \*\* New product for 2010\*\*:**
- 14.5 kg pail (pre-mixed) of **Ground Force (Rozol)** - cost \$109.00/pail. Treats ~ 500 gopher holes.

Our Pest Control Officer, Grant Peeling, is recommending the use of Ground Force (Rozol) for 2010. It is a pre-mixed bait, no secondary poisoning, does an equal or better job than strychnine, it works past the spring season, the cost per gopher is the same as strychnine and no paperwork is involved.

All product will be charged at cost (see above). Maximum allowable order for 2% liquid strychnine is 2 cases (48 bottles) per person. **Note:** The strychnine supply is limited and may not be available for much longer.

If you are interested in gopher poison from the R.M. of Pense for 2010, please complete the form below and return to our office by **February 5, 2010** (fax us @ 345-2583; email us @ [rm160@sasktel.net](mailto:rm160@sasktel.net); drop it in the door slot). We will be putting our order in at the end of the day February 5, 2010.

We will contact you when the product arrives. Email is the easiest way for us to contact you.
